Dear Mr D Futters and all members of the HardRiver Rock Band,

Thank you so much for holding a charity gig, and raising funds in aid of Barnardo's, I hope you had fun putting on the show!

Barnardo's is the children's charity with the largest number of services on the ground in the UK: we run over 900 services in local communities. At Barnardo's we believe in children – no matter who they are, what they have done or what they have been through. We will ensure their needs are met and their voices are heard.

Our work includes reaching and helping children who have been sexually exploited, young people leaving the care system, children with a parent in prison and families struggling to cope. We find loving adoptive homes and foster placements for children in care. Last year we transformed the lives of more than 200,000 of the UK's most vulnerable children, young people and their families. We helped many more by campaigning to change policy and public opinion.

Please do contact me if you require any information or assistance in the future. Once again, thank you for your support and for believing in children.

Yours sincerely,

Janice Heathcote
